

THE SUNSHINE OF THE NIGHT

Coleman Quick-Lite Lamps and Lanterns

At night you want—you need—the right kind of light, and a lot of it, which is just what you get from Coleman Lamps and Lanterns. A great big 300 candle power, more light than 20 oil lamps or lanterns, a flood of light that's like the sun itself.

BIDS FAREWELL TO CANADA

Baron Byng, Canada's Governor-General for the last five years, who left Ottawa on Monday afternoon en route to the old country. His successor, Lord Willington, is expected in Ottawa on Saturday.

Baseball Club Banquet

The local baseball club officially closed the season with a public banquet last Wednesday evening in the dining room of the Alberta Hotel.

Following an unusually successful season in which the club won an enviable reputation, the function proved a fitting wind-up to a fine season's work. Run on amateur lines, the club finished itself entirely with prize money won at various sports-days. Each member of the club played for the sport of the game and never before has Oyen had a team which worked with such harmony or staged such amazing come-backs, when the game seemed gone. To each player, as well as the management, great credit is due for the splendid record achieved.

Following the supper, Mr. G. A. Morrison, who ably filled the position of toastmaster, briefly spoke of the pleasure it gave him to be present at such a gathering and referred to the fine spirit of goodfellowship which existed in the community and the splendid showing made by the ball team, and then called for a toast to "The Oyen Baseball Club," which was proposed by Mr. C. L. Dunford and responded to by Mr. H. R. Chapin. Mr. Thos. Lees was next called upon for a toast to "The Ladies" and his amusing dissertation was responded to by Mr. F. Goldsmith. Mr. Fred Hanzelko, first baseman on the team, was next called upon. Asking "What do you want me to talk about?" and being told "Anything you like," he described one of the games played by giving a well rendered parody on "Casey at the Bat" in which the "Mighty Chapin" largely figured. His description of the game and the climax which ended when the "Mighty Chapin" fanned, brought down the house. Dr. H. C. Swartz, leader, Mr. S. A. Miller, Dr. W. (Continued on page 2.)

Movement of Settlers

From Dry Areas

The joint arrangement between the dominion and provincial governments and the railway companies, for the movement of settlers from the dry districts has been extended to June 1, 1927, with the understanding that no certificates will be issued after May 1st, but that settlers to whom certificates have been issued will be given until the first of June to move their outfits.

W. I. Conference

The Women's Institute constituency conference will be held in the United Church, Oyen, on Thursday, October 7. Forenoon meeting at 10 a.m., afternoon meeting at 1:30 p.m. Miss Macmillan of Edmonton and Mrs. Montgomery of Wetaskiwin (district director), will be speakers. A cordial invitation to attend is extended to all ladies, whether members or not. Roll call to be "Why I came to Alberta."

Receives Sad News

Mr. J. C. Desso, received word last Friday, that his grandson, Mackay Desso, age 15, of Spokane, Wash., was accidentally shot and fatally wounded while handling a revolver in his parents' store. The boy and his two sisters were in the store awaiting the return of their mother and grandmother, and when one of the girls went to the door to admit them, a shot was heard, a flash was seen, and the boy dropped to the floor behind the counter, shot through the right temple. The boy had been cautioned not to touch the revolver, which was kept on the premises of the jewellery store for protection.

S. A. MILLER

New Telephone Rates are Necessary.

BECAUSE The old rates failed to provide any reserve provision for depreciation or storm damage on an investment by the people of the Province of Alberta of \$22,000,148.37.

1 The old rates barely paid for operating expenses and interest charges on the capital debt.

2 The interest charges of over a million and a quarter annually are fixed and must be paid.

3 Operating expenses have been cut by \$10.00 per station in the last few years and can be cut off further without seriously impairing the service.

4 The added revenue will secure adequate protection of the investment and put the telephone utility on a sound financial basis.

5 The individual subscriber's share of the increase is small and he receives dollar for dollar of his rental in good telephone service.

6 With adequate and fair rates, Alberta's Telephone System is second to none in America. As a subscriber you appreciate this.
